LeGrande C. Heaton  
Orderville, Utah

Dear Sir: Re: LONG VALLEY DISTR.

This acknowledges receipt of your letter dated May 19, wherein you state that "The general committee consisting of the 3 Presidents of the Board of Directors of the Major Irrigation Companies in this area" have asked that you request the State Engineer to call a meeting of water users at the hour of 8:30 p.m. on June 4, 1947.

In order that this meeting may be proper, it is suggested that you furnish this office at once with the names and addresses of all the water users in the area so that each may be notified of the meeting.

Upon receipt of these names and addresses, the proper notice will be given.

Yours very truly,

*Ed. H. Watson*
